Further to our conversations of April 22 and April 28, 2003, the extensive printout annexed to the filed renewal petition has a single call-up date for 11-14-01 and that was entered September 5, 2001 for our file 1442-004T – see attached). It is the only 11-14-01 call-up in the entire printout!

In the periods September 17-21, 2001 and September 24-28, 2001, the two weeks following the September 14, 2001 "mailing date" (when the letter would have been expected to be received), the call-up records have no entries for our file 412-101P nor do they have any other November 14, 2001 call-up dates for any file!

Please note that September 14, 2001 was three days after 9/11/01 when our city was attacked and the Pentagon was attacked, and no planes were flying. That the missing mail did not get through to us in New York City is hardly surprising.

Kindly grant our petition forthwith. We have demonstrated that the allegedly mailed letter was never received in our offices. Any further delay by the USPTO at this point is unwarranted in view of our extensive submissions and documentation.
